

Minutes of Guelph Board of Approved Basketball Officials
Monday January 10th, 2022

Vince Bull called the virtual meeting to order at 7:00pm sharp. Happy New Year to one and all.

Frank congratulated president Mike upon the FIBA 2022 Handbook dedication in Mike's honour. The honour is deserved for a variety of reasons: in summary, 50 years of service to refereeing in Ontario and all of his work, time and effort dedicated to making OABO and GBABO most professional. Thanks Mike.

Mike outlined the process CBOC has put in place for moving through the stages of officiating. This process is clearly outlined for each referee in Game Plan. These principles are clearly stated and are mandated by CBOC of which we are all members.

EDUCATION #8

Frank showed a video entitled "Communication" by Matt Kaillio. It is excellent and it relates directly to basketball officiating. Matt stresses keeping the game in perspective :

- it is never about you
- it will never be about you
- it is about the game
- it is about the people

The virtual meeting was adjourned at 8:18 pm on a motion by Rick Ferraro. The next meeting is February 7th.
